### ODD SOCKS DAY

Thank you to Bea and Isaac for the following reminder:

On Monday 16th November, please wear odd socks to school to support anti-bullying week, which is running from 16th to 20th November.

Thank you.

### CLUBS

We have had some questions relating to extra-curricular clubs and why we have not been running these. The government guidelines state that we are able to run clubs outside of school hours that provide childcare for working parents. We have these available in the form of our breakfast and after school club. The other clubs that we have previously run have been for the enrichment of the children, not as part of our wrap around care offering.

We know that this is disappointing for many of our families, but our primary concern is for the safety of the Hurst Park School Community. We will keep a watchful eye on the guidance and will make additional extra-curricular activities available when it is once again safe to do so.

### DISABLED PARKING SPACES

We now have two disabled parking bays in our drop-off zone. These are specifically for blue badge holders. Would all other parents please use the other spaces provided.

### PARENT/TEACHER CONSULTATIONS

As we are unable to meet parents in person for our parent/teacher consultations this term, we have arranged to hold virtual meetings for Nursery to Year 6.

Please visit <https://hurstpark.schoolcloud.co.uk> to book your appointments. If you have problems booking online, please telephone the school office who will be happy to add appointments on your behalf.
